Boys & Girls Village will present this exceptional seaside fundraiser at the Black Rock Yacht Club in Bridgeport, CT.

This lively evening features cocktails, mingling, great music, delicious food, inspiring speakers and much more.

The event will attract more than 200 community and business leaders, and raise critical funds for at-risk children and families, many who have histories of abuse, neglect or live in poverty and are in need of intensive behavioral health, educational or family reunification services.

Previous events have raised upwards of \$100,000 and attracted socially minded and philanthropic area residents.

A GREAT SPONSORSHIP OPPORTUNITY!

As a sponsor, your company will receive exposure through printed and digital materials, social media, on-site promotion and more!

We have levels ranging from \$2,000 up to \$7,500.
